Letter From Our Principal

Dear Saint Joseph Family,

“In the Catholic school’s educational project there is no separation between time for learning and time for formation, between acquiring notions and growing in wisdom.”

-The Catholic School on the Threshold of the Third Millennium, §14, 1998

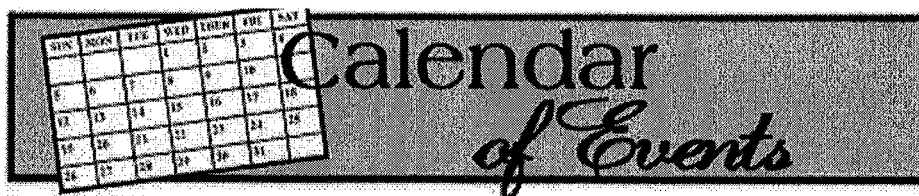

Welcome back to Saint Joseph for the 2016-17 school year. We are excited to welcome our new families and students and proud to see familiar Bulldog faces returning. It has been an exciting summer around Saint Joseph. The flooring around the altar in the church sanctuary underwent a beautiful transformation from carpet to tile. We re-mulched our playground, and worked on some of our other landscaping. Our teachers have been learning a new grading software system called RenWeb. This program will also be used to post our homework and classroom announcements online. Parents will receive log in information to see their children’s homework, announcements, and in the distant future online gradebooks. We thank you for your patience as we continue to hone our skills in RenWeb in order to provide better educational information to our students and parents.

We are looking forward to another successful year. Please do not hesitate to stop in the school office, email, or call if you have any questions or just want to talk about Saint Joseph. We are happy you and your children are with us!

God Bless,

Mr. Martin
