

Dear St. Joseph Family,

It is an honor and privilege to be asked to write about the impact St. Joseph School has had on my life. The gift of Catholic Education lasts a lifetime and I have been blessed to be on both the giving and receiving end of this timeless gift. I was baptized at St. Joseph. My parents sacrificed and were able to send me and my five siblings to St. Joseph School. I returned as a faculty member and now I am also a parent here. This gift has inspired me to be the person I am today in both mind and spirit.

Thanks to your generosity we continue to follow the teachings of our Master Teacher, Jesus and open the minds and hearts of our students. Watching them grow and become closer to Jesus is very rewarding. Each day our faith is intertwined in the curriculum and service to others. Catholic Education builds the whole child through harmony between faith, culture, and life. Students are growing up in a world where family values and moral standards are diminishing. Catholic Education helps students remain focused on the dignity of human life. We are all created in the image and likeness of God and I enjoy guiding my students to understand what that really means.

Your gift to our Annual Giving Fund is extremely important to us and helps bridge the gap between the actual cost of educating a student and the income generated from tuition. Each and every gift provides vital support for the school's programs, and helps champion our teachers and students in the mission of St. Joseph School. Did you know you can designate your gift? Simply indicate how the gift should be allocated when you make your contribution.

I am grateful to you for supporting St. Joseph School's mission and vision. I pray that you will continue to support the spiritual and academic growth of our students. Let us build Christ's Church in the love and truth of the Gospel together.

With Sincere Appreciation,

*Jackie Sullenbarger*

Mrs. Jackie Baltz Sullenbarger  
Interim Principal
