

Rising 6th Grade Summer Reading Assignment  
School Year 2024-2025

Hello,

I am Ms. Bohleber, and I'm the middle school English and Literature teacher. I'm looking forward to next year with your students. I wanted to reach out about summer reading.

The upcoming 6th graders will read the novel, *Hatchet* by Gary Paulson. I want the students to start their literature notebooks. After each chapter, I want them to write a couple (2-3) sentences about the chapter.

When we return for school in the fall, we will do some projects associated with the novel.

Thank you. Feel to reach out if you have any questions.

Enjoy your summer,

Ms. B
